

### MAJ 2022 Details and Dates

For MAJ 2022, we are offering two options for the convenience of our engaged couples and their varying schedules. We are offering a two-weeknight option (Tuesday/Thursday, 6:30pm-9:00pm) and a Saturday Livestream option (9:00am-2:30pm. The weeknight option has been added for those who work weekends or do not have daytime availability. It is also the preferred choice due to ease of learning (the first session will be focused on communications/life-skills, and the second session will be catechesis and sacramental prep). For more information and to register visit our new Marriage Prep website [www.archomaha.org/marriageprep](http://www.archomaha.org/marriageprep).
